OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Notification dated 10—11th August 1945.

No. A2. 503—45-46. The following note published by the Central Provinces and Berar Government, on the procurement of gram and pulses from the Central Provinces and Berar by Provinces and States having an import quota under the Central Government's Basic Plans, and the statement showing the ceiling prices fixed for the gram and pulses by the Central Provinces and Berar Government, are republished for the information of those concerned :—

"NOTE.—Note on the procurement of gram and pulses from the Central Provinces and Berar by Provinces and States having an import quota under the Central Government's Basic Plans.

Under the system set up by the Central Provinces and Berar Government, any licenced dealer in the Province holding surplus stocks of gram and/or pulses of any kind is free to sell them to any authorised nominee of the Government of a Province or State having an import quota of the commodity, under the basic plan concerning it. Recipient administrations are requested to furnish us with lists of their authorised nominees and to communicate to us from time to time such changes as are made in them. Full details such as the commodity which a nominee is authorised to handle and the limit, if any, set to his purchases would also be useful.

2. On arrival in this Province, an authorised nominee may contact any of our licensed stockists direct or he may seek information from the Office of the Director of Food Supplies, Secretariat Buildings, Nagpur, concerning the principal
